Subject: Safety Data Sheets (SDS)

Dear Customer:

Attached are Safety Data Sheets for Linde products you have recently ordered. Please ensure they are directed to your health and safety department, SDS coordinator or other responsible person(s).

Regulations require that employers ensure all workers who handle or work in area of a hazardous product are trained on health and safety risks, proper handling and response to emergency situation involving the product. Safety Data Sheets must be readily accessible to employees handling hazardous products in the workplace.

Linde values your business and wants to provide adequate information and technical assistance so that our products can be used properly and safely. If at any time you have questions about our products, please do not hesitate to contact either your Linde Sales Representative or one of our Customer Service Representatives at 1 888 256 7359.

Linde Safety Data Sheets (SDS) are also available on our website sds.lindeus.com. If you would like a WHMIS MSDS format document, please visit our website www.lindecana.com/en/hse/msds or contact your customer service representative for assistance.

If you are receiving this email in error, please send us an email at service.lg.ca@linde.com and indicate the correct email address to send this information to, for your site.

Additional Linde product information is available on our website at www.shop.lindecana.com

Si vous préférez recevoir votre correspondance en français, veuillez communiquer avec nous.
